TRADE STATEMENTS FORCES RAILROADS UP SEVERAL POINTS

Favorable Trade Reports Have Good Effect on Market for Railroads; War Specialties React on Rumor of Stand.

NEW YORK, Nov. 1.—Under the influence of further favorable trade conditions, as disclosed by some remarkable statements of railway earnings, many investment stocks seemed to higher quotations while the specialties were disposed to react. Heaviness in the latter issues was due in part to intimations that allies had decided not to pay the higher prices demanded by American manufacturers of munitions and similar supplies.

The railroads were the governing factor of the session. All the eastern lines, as well as the granaries and Pacific averaged a point or two higher. The total was 1,155,000 shares.

Pennsylvania made a net gain of \$1,562,000 on its eastern lines in September, while the system "west" of Pittsburgh contributed \$1,411,000. This record has only been exceeded twice in the road's history. New York Central reported a net gain of \$1,720,000. Bonds were strong with higher quotations for convertible issues. Total sales \$5,215,000.

K. OF C. WINS FIRST CONTEST IN SOCCER FOOTBALL LEAGUE

Lowell Team Loses, 2 to 0; Captain Kirkbride Injured; Lowell Objects to Decisions of Referee Johnson.

The Knights of Columbus captured the opening game in the soccer league Sunday, defeating the Lowell United by a score of 2 to 0. The game was marred by an accident to William Kirkbride, Lowell's center half back, who sustained a badly wrenched side.

A splendid crowd of enthusiastic soccer followers saw the sport at Warren Park. Lowell partisans were inclined to resent some of the decisions of the referee. A strong spirit of rivalry was evinced by players on both teams and some warmly contested matches are assured.

The game has been in progress only a few minutes when the Knights were credited with what the Lowell followers and players insisted was a doubtful goal. Duffy, the K. of C. right wing, placed the ball in the Lowell goal mouth, when Lancaster, Lowell goal keeper, fumbled the ball. However, Referee Johnson claimed that the Lowell goalkeeper was over the goal line when he negotiated the catch. The Knights were allowed the goal, a decision which the Lowell team strongly contested.

Shortly before the interval, Lowell placed the ball in the net but the point was disallowed by the referee. Almost simultaneously, Captain Kirkbride of Lowell, collided with A. Ireland, the result being a badly wrenched side for the Lowell leader.

The second period opened fast and furious. From a melee in front of the Lowell goal, T. Kelly of the Knights increased their lead, making the score 2 to 0. William Crowe scored a goal for the Lowell team but Referee Johnson refused to allow the score.

Lowell took issue with this decision the players claiming they should have been given a penalty kick but Referee Johnson failed to see the infringement.

During the entire second period the Lowell team was minus the services of a player. At all stages the play was aggressive and vigorous. The teams were very evenly matched. Edson and Hibbie starred for the Knights in their back division, while Ireland and Kelly led the attack for the victors in a very efficient manner. Crowe, Hardinge, Lancaster and Humphries rendered valuable service to the Lowell team.

Knights of Columbus and Tombstone Canyon Stars will contest for honors next week.

TAX NOTICES FAIL TO REACH PROPER PEOPLE; NO EXCUSE

Property Owners, Whether They Receive Notices or Not, Should Come to Marshal's Office in Regard to Taxes.

The failure to receive notices of taxes due, through the mail, does not eliminate the property holders' responsibility to pay his portion of the city's burden on or before the third Monday in December.

The above is the sense of a statement, made last evening by City Marshal and Collector James Allison. The reason for the statement is that the Marshal has received about fifty tax notices back from the postoffice.

"The people who own property," said Allison, "and who do not get their notices should call at my office at the city hall. A failure to receive a notice will not lift the liability of taxes becoming delinquent on the third Monday in December."

The manner in which the city taxes have been coming in is exceedingly gratifying to the city marshal and to the entire tax department of the city government. So far the marshal reports a matter of \$9,818.45 in the city's treasury from this source. At such a rate the city taxes should be exceedingly well collected when the delinquency period arrives.
